

## Neus Ollé A.E.C.

### Director of Photography

Reviews of IN THE DARK HALF included the following praise for Neus's work:

*"It's the immaculate photography of the Catalan Neus Ollé that is the true star of the show (she won a Gaudi for Albert Serra's Birdsong)"*

- BFI's "Sight & Sound", Sept 2012

*"The film does a very fine job of combining rough naturalism with apparent supernatural shocks; Neus Ollé-Soronellas's lens work is appositely gloomy"*

- [Irish Times](#)
