

## David Grindley

### Stage Director

In the Autumn 2018, he recast his production of *STILL ALICE* to tour the UK with Sharon Small, recreating her performance as Alice. Originally the production opened at the West Yorkshire Playhouse in February 2018.

This is a deceptively potent show. \*\*\*\* *Daily Mail*

David's production of Tom Murphy's *THE GIGLI CONCERT* was nominated for Best Production in the 2016 *Irish Times* Theatre Awards.

David's 2007 Broadway production of *JOURNEY'S END* by R.C. Sherriff won the Tony Award for Best Revival.
