### Biography

Emily is a British actress whose career spans across both stage and screen. She most recently starred in the second series of Acorn's ***Whitstable Pearl*** and the fourth series of the BBC's ***The Syndicate***, created by Kay Mellor, as well as Drama Republic's BBC miniseries ***Life***. Prior to that, she played the series regular role of 'Rebecca White' on the long-running soap *Emmerdale*, appearing in over three hundred episodes. Further starring credits include ***Doctors*** (BBC), ***Rita, Doc Martin*** (ITV) and the iconic regular character of 'Carli' on the multi-award-winning television show ***The Inbetweeners*** (Channel 4), a role she subsequently reprised for ***The Inbetweeners Movie***.

Emily wrote and performed ***The System*** for a single-shot livestream and received excellent reviews. Her other theatre credits include ***Coram Boy*** at the Bristol Old Vic and the Royal National Tour of ***An Inspector Calls***.

Emily recently finished her on stage role of Cate in the Middle Child Theatre's touring production of ***Isabelle***.
