

## Jess Mikhail

### Children's Illustrator

Jess has been an illustrator since 2002. Her favourite place is her tiny home where she lives with her tiny dog. It is there that she loves to draw and create funny characters with bright colours and fancy patterns. There is nowhere else she'd rather be (except a car boot sale or a charity shop maybe).

Jess likes to use a mix of all sorts of stuff in her work. She draws, she scans, she scribbles and blobs, she prints and stamps and she even uses a scary computer. The aim of her work is to make people smile and she hopes that she does just that.
