

Joe Markham

Writer / Performer

Joe is a talented writer and actor. He is currently developing television material with Joe Parham and is a senior writer on Series 6 of THE AMAZING WORLD OF GUMBALL for Cartoon Network.

Joe was a founding member of KIERAN & THE JOES.

They made their Edinburgh Fringe debut in 2010 with the show SUCCESS: A SUCCESS STORY at the Free Fringe and made a triumphant return in 2011 performing their show [TEAMPOWERED](#) to sell out audiences at Just the Tonic at The Store to fiive star reviews.

TEAMPOWERED rating: * * * * * ... in which these three drearily-attired salarymen welcome you to their "masterclass in teamwork" before spiralling into internecine dysfunction. Their Teampowered is a relentlessly hilarious show, craftsmanlike in concept, writing and delivery, and laying mercilessly into the notion of corporate improvement while also using that as an unlikely framework for all manner of off-the-beam inventiveness. One brilliantly dark slice of audience participation — fusing stand-up conventions, Jason Bourne and the Milgram experiment — will have you on the edge of your seat.
