

Ben Bailey Smith

Actor

Ben Bailey Smith is a successful Comedian and Writer that has worked across a number of projects. Ben spent 10 years as a youth worker by day and as underground rapper Doc Brown by night, before picking up a gig tweaking comedy scripts for Lenny Henry which led to Ben attempting stand-up for the first time in February 2008. For the next decade Ben retained his old rap moniker and dominated the live comedy scene, before hanging up his mic to focus on acting, writing and producing.
