

Ed Stoppard

Actor

Ed has recently finished playing the regular role of Lucas Becker in HBO's upcoming marquee show, TRACKERS. In 2020, he will take the stage in the hotly anticipated world premiere of Tom Stoppard's LEOPOLDSTADT at the Wyndham's Theatre in London's West End. The play runs from the 25th January until the 13th June.

In 2019, Ed filmed the upcoming TV adaptation of Aldous Huxley's BRAVE NEW WORLD, produced by Amblin/Dreamworks for NBC Universal.

Over 2017 and 2018, Ed played the regular role of King Philip for two series of History Channel's tentpole show, KNIGHTFALL.
