Quentin Blake's Box of Treasures
2023

Eaglet Films Ltd/ BBC

This animated film chronicles the adventures of eccentric animals and humans on a tropical island. It features tales of two friends, a magical creature's personal growth, and a clever inventor's zany contraptions.

From Jack and Nancy's exhilarating island adventure to Zagazoo's hilariously off-beat antics, Loveykins' extraordinary transformation to the zany inventions of the indomitable Mrs. Armitage, these beautifully crafted and engaging stories of fun, friendship and adventure will provide an exclusive treat for all viewers, delivering family entertainment at its best.
