

Hollie Hughes

Children's Author

Hollie Hughes wrote her first picture books, about an earwig called Eric, as a young child herself - way back in the 1980's. Much of her childhood was spent writing stories, drawing pictures to accompany them - and persuading all her unfortunate friends to take part in madcap variety style shows. As an adult, she trained as a youth worker (and later, as a teacher) and spent nearly twenty years working in youth centres, nurseries, schools, and colleges.
