

## Leanne Davis

### Writer

Leanne is a comedy writer, actor and standup.

For one whole year 2012-2013 Leanne set out on a personal quest to abolish her risk averse nature by moving house every six weeks to live with strangers she'd found on Twitter. She also signed up to every adventure offered including a stint with the Hare Krishna's, internet dating, clown camp and ending up at a group masturbation session. Leanne's journey was documented through the Huffington Post and culminated in a sell-out one woman show at The Edinburgh Festival 2013.
