

Karl Newson

Children's Author/Illustrator

Karl Newson is a children's book author and illustrator from London. He is the writer of the picture books *A Bear is a Bear (except when he's not)*, *Here Comes the Sun, Fum*, and *Little Grey's Birthday Surprise*. Karl is a big fan of nonsense poetry and also an illustrator of other people's books. He grew up in Norfolk, making dens and running amok; but on rainy days he would stay indoors and draw until his pens ran out of colour. He was inspired to write a story when his children were small, and he has been so ever since...
