

Faith Omole

Actor

Faith stars as BISMA, a leading role in the hit ensemble comedy WE ARE LADY PARTS for Channel 4. Adapted from a Channel 4 blap and produced by NBCUniversal, the show is a gleefully unhinged, anarchic music comedy series following an all-female British Muslim punk band on their road to glory and riches.

It's pulled in critical acclaim so far across the board, with Vogue calling it "...a riotous comedy that's unlike anything you've seen before."
