

Declan Lawn & Adam Patterson

Writers

Declan Lawn spent 14 years as an investigative reporter for BBC Television, working for BBC Panorama and BBC NI's Spotlight programme. He is also a documentary film-maker and a regular presenter of current affairs programmes on BBC Radio. As a screenwriter, he is inspired by the capacity for television drama to act as a companion to journalism, telling powerful stories about how the modern world really works.

Adam Patterson is a freelance producer, director, and photographer. He has worked extensively for the BBC on flagship programmes such as Panorama. Most recently he filmed and directed a documentary in Iran for Channel 4 foreign affairs strand Unreported World. He has made several short format films for various NGOs across Africa and frequently lectures on photography at universities and galleries.
