

James Greenwood

Presenter

Dr. James Greenwood BVSc MRCVS is a practicing small animal vet in Bristol. Originally from Yorkshire, James grew up with a passion for helping animals and this led into a career in veterinary medicine.

He has been in practice for over twelve years - treating everything from parrots to donkeys, dogs, horses and even a 2 day old baby elephant.

James is a passionate advocate for the veterinary profession, animal welfare, conservation, mental health awareness and for LGBTQ equality.
