

Nadav Schirman

Writer / Director / Producer

Nadav Schirman, two-time Israeli Academy (Ophir) Award winner, made his start with a trilogy of high-voltage feature documentaries that delve into the psychology of spies and terrorists. The third of the trilogy, *THE GREEN PRINCE*, opened the Sundance Film Festival 2014 and subsequently won the Audience Award. Produced through his Frankfurt-based A List Films, together with Oscar-winning producers Simon Chinn and John Battsek, the film earned Schirman his first PGA nomination.
