

Rachel Shenton

Writer / Producer / Actress

Photographer credit: David Reiss

Rachel Shenton is an Academy Award® winning writer and producer and Co-Owner of the UK-based production company Slick Films. She won the Oscar® for *The Silent Child*, which she wrote and produced, and her work has screened at major international festivals including Clermont-Ferrand and Tribeca.

Through Slick Films, Rachel develops and produces narrative and documentary projects, working across short films, feature films and international co-productions. She also co-leads the Slick Films Fund, supporting emerging filmmakers and new voices in independent cinema.

Alongside her writing and producing work, Rachel is known to audiences for roles in *White Gold*, *Switched at Birth* and *All Creatures Great & Small*.
