

## Morgan Large

### Designer

Morgan won the UK Theatre Award for Best Design for *Wonderland* at Nottingham Playhouse.

**Morgan Large's design is beautiful in its simplicity, relying on a few large props to carry the scene: a boat's skeleton, split into three and joined together again, moves around the stage by the cast's synchronised feet; Charon's simple raft seemingly floats along the stage; a velvet chaise longue brings to mind Wilde's opulent tastes**
