Actor / Writer / Composer

REBECCA LUCY TAYLOR (Composer) otherwise known as Self Esteem, made her solo artist statement debut in 2019 with Compliments Please. Self Esteem's critically acclaimed second album, Prioritise Pleasure has been praised for tackling important issues around female autonomy and self-love through her intimate, confessional and witty lyricism and anthemic, maximalist pop rhythms. Rebecca has sold out tours in ever-growing venues across the UK, and been nominated for Best New Artist at the BRIT Awards and Best Album at the prestigious Mercury Awards.
