

Max Pappenheim

Sound Designer/Composer

Max is a composer and sound designer for live performance, and trained in Radio Drama with the BBC. He is an Associate Artist at the Orange Tree Theatre, as well as a conductor, violinist, pianist and organist. He is a Visiting Lecturer at RCSSD, with workshops run for NT Connections and the Almeida Theatre.

Max Pappenheim's soundscape rolls around the audience, who are surrounded by the crash and suck of waves, the thud of birds hitting a glass wall, the hoot of a foghorn
