Publication Details	Notes
<b>Dull Margaret</b> 2018 Fantagraphics	Inspired by Dulle Griet (aka Mad Meg), Pieter Bruegel's 16th-century painting of a 'strong, intense woman striding determinedly across a violent landscape,' Dull Margaret is the first graphic novel by Academy Award winning-actor Jim Broadbent (Harry Potter, Game of Thrones) and artist Dix (best known for his comics in the Guardian). The Dulle Griet painting shows a breastplated woman with a sword in one hand in front of the mouth of hell, and Broadbent uses that single, vivid image as a launching point to explore what the rest of Dull Margaret's bleak existence may have been like.
