

Geraldine Alexander

Actress / Writer / Director

AMYGDALA Reviews

"Fiercely compelling...Geraldine Alexander's first play is a must see. Meaty, articulate and well-informed writing; coupled with stylish, subtle and fluid direction." *UK Theatre Web*

"It's the acting that's really scintillating... Here's hoping that theatregoers see more of Lanipekun, who is both magnetic and mercurial" *The Times*

"Strong performances from Hermione Gulliford and Alex Lanipekun. Forceful, bone-shaking writing... it packs quite a wallop" *Time Out*
