

Simon Tyler

Writer/Illustrator

Based on the Sussex coast, Simon is an author and illustrator (and graphic designer and animator). Around the age of ten, Simon decided he wanted to spend the rest of his life writing and illustrating books, an endeavour he launched into with gusto (initially with an illustrated spotter's guide to Dr Who monsters). Alas, thanks to a variety of factors (including ADHD, rock climbing and dance music) Simon veered off on an entirely different track before, thirty years later (in 2017), his first book – Bugs – was published by Pavilion Children's Books.
