Publication Details	Notes
The Invisible Crowd 2017 HarperCollins	<p>One journey can change many lives...</p> <p>Fleeing war-torn Eritrea, Yonas Kelati arrives in England with nothing but the clothes on his back, a phone number, and a glimmer of hope.</p> <p>Hitching a ride on a country lane, Yonas meets Joe. On a train bound for London, he meets Quentin. On an unfamiliar street corner, he meets Emil. On a cold, dark doorstep, he meets Nina. Finally, in a courtroom, he meets Jude. Yonas needs the help of these people, and more – and not all of them will be kind enough to give it. But meeting him will change each of them. And in turn, each of them will change his life forever.</p> <p>This kaleidoscopic novel digs deep into our attitudes to immigration and the refugee crisis, while being a compelling and uplifting read.</p>
