

Declan Dineen

Writer

Originally from Newport in South Wales, Declan is a writer now based in Glasgow, Scotland.

A keen video game fan, he hosts a weekly podcast called Checkpoints wherein he interviews various video game luminaries about the video games that shaped their life.

Since it's important to have something sensible to fall back on should the writing not work out, Declan is also a professional magician.

In 2018 Declan was selected for the BBC Writersroom Scotland.
