**ALL THAT
FOLLOWED**
2018
Mirror Books

All That Followed offers honest, heartfelt thoughts on what happens when cancer becomes an unwelcome guest at an already crowded party. She shares her own terror and pain, mixed with the heartwarming and unexpected. The extraordinary kindness of people and the gritty detail of battling a life-threatening illness, all while being a single mum to four children. She opens up about her angels and demons, losing and then finding love again, a constant fear of death mixed with the joy and relief of living, the anxiety of cancer returning - then facing it when it does.
