

## Anna Ploszajski

### Writer

Dr Anna Ploszajski is an award-winning materials scientist, engineer and communicator. By day, Anna is a Research Fellow at the Institute of Making, researching 4D printing and metamaterials. By night she communicates materials science on stage, on radio, on TV and on the page. In 2017 she was named Young Engineer of the Year by the Royal Academy of Engineering, and in 2018 won the Silver Medal from the Institute of Materials, Minerals and Mining. In her spare time, Anna plays the trumpet in a funk and soul covers band and she swam the English Channel in July 2018.
