

Tula Fazakerley

Tula is known for her prominent role in E4's hit comeback series 'Shipwrecked' that hit our screens in February 2019. She's also spent the past 3 years travelling across the world filming a reality web series for "Peninsula films" which will be out in spring 2019.

She's 27, hails from London and as well as reality TV loves performing comedy sketches across London- so watch this space.
