

## Bert Tyler Moore

### Writer

Bert is a hugely experienced writer currently developing various original projects while also writing the fourth series of THE WINDSORS for NOHO/Channel 4. Bert has written and was a Consulting Producer on the second season of Britbox's reboot of the iconic satirical show SPITTING IMAGE, produced by Avalon, after having worked on the first season. Bert's stage play THE WINDSORS: ENDGAME recently had a run at Prince of Wales Theatre. The show was produced by Runaway Entertainment and stars Harry Enfield. His play WHAT THE HEART WANTS was at Edinburgh Fringe 2022, directed by Matt Peover and starring Richard Shelton and Simon Schatzberger.

For many years Bert was in a writing partnership with the late George Jeffrie, who sadly passed away in September 2020. Together, they created and wrote three long running series: THE WINDSORS, which was BAFTA nominated; cult hit PETE VERSUS LIFE starring Rafe Spall; and STAR STORIES which won a British Comedy Award and was twice BAFTA nominated.

Bert and George began writing on the classic sketch shows BIG TRAIN and ARMSTRONG AND MILLER and have written sketches for countless others including SMACK THE PONY, HARRY AND PAUL, THAT MITCHELL AND WEBB LOOK and MONKEY DUST. The highlight though was surely creating the character of 'Lord Hollywood' for George Clooney on ITV's charity DOWNTON ABBEY spoof. (They were not allowed on set).

The pair wrote for a host of entertainment shows including THE KUMARS AT NO.42, THE DAME EDNA EVERAGE TREATMENT, SLAP BANG WITH ANT AND DEC, ALAN CARR: CHATTY MAN AND THIS IS DOM JOLY.
