

Dr Peter Scott Morgan

Writer

DR PETER BOWMAN SCOTT-MORGAN was an English-American roboticist who worked with leading experts and megacorporations such as Intel, Microsoft, and DXC Technology, all researching together how to apply cutting-edge Hi-Tech to *THRIVE* with Extreme Disability. He was the subject of a primetime Channel-4 documentary chronicling his journey to becoming the world's first full Cyborg, aired in 2020, as well as a book and associated podcasts. He formed the charitable Foundation dedicated to changing what it means to be human.
