

Gus Gregory

Gus Gregory was born in the early sixties and grew up in a house of music and dancing.

In his late teens he moved to Brighton for an easy life of cigarettes and busking before finally moving to Asia to embrace his love of photography. He travelled extensively from his base in Hong Kong and this formed his life-long love of wild and wide open landscapes.

His commissions for travel photography morphed into automotive journeys for cars and his passion and reputation grew for there.
