### Children's Illustrator

Ellan Rankin is a Northern Irish Author, Illustrator and Picturebook maker.

A huge animal lover, her stories usually center around animals and silly stories about them that she reads in the news. She is also inspired by cinema and history and loves nothing more than to create an environment using historical references- whether that be a 1980's jacket or a 1930's living room. She likes leaving clues about the character within images, so keep an eye out when looking at her work!
