

David Elliot

David has been working for almost two decades as an actor, winning the BAFTA Scotland Best Film Actor award and more recently shifting his creative energy towards writing and directing.

David started his acting career on stage with *HANGOVER*, which he also wrote and directed to rave reviews. *THE SCOTSMAN* wrote; "Elliot has produced a breathtakingly realistic and resonant piece of writing... calls to mind a sort of sub-Irvine Welshian dialogue, but slowly it becomes apparent that the writing is more considered than that... surely destined for even greater things in the future."
