

Claire Daverley

Author

Claire Daverley was born in 1991 and has been writing stories ever since she was six years old, inspired by art and film and her many trips to the library. After graduating with a degree in Fine Art from The University of Oxford, she began a career in publishing, writing about books by day but penning her own by night, on trains, and in the light of the early mornings. She has spent most of her life in Hertfordshire, but currently lives in Scotland with her husband and spaniel.
