

Nick Barber & Katherine Tozer

Katherine Tozer and Nick Barber met as performers at the RSC. They subsequently formed multi-media theatre company Palimpsest and went on to stage original drama at historic venues across London, including THE MUSE (Leighton House), PLAYING TO THE CROWD (Dr Johnson's House), IF I CAN (William Morris's Red House) and STAR (Dr Johnson's House). They have adapted STAR as their debut screenplay.

Katherine has written new versions of Chekhov's THE CHERRY ORCHARD and THE SEAGULL for Radio 3 and is under commission to adapt IVANOV and THE CASTLE OF OTRANTO for Radio 3 and 4 respectively. Nick has script edited BARBARIANS for Sky.
