

## Sabrina Ali

### Writer / Director

Sabrina is a South West London-based writer and actor, who is driven by a passion for sharing authentic and representative stories, from her stage debut in Side eYe's *HOME* (2019) to her one-woman play *Muna Knows It All* (2021). Sabrina has regularly written herself into roles, aware of the lack of opportunities available for women of colour in theatre. Through this, she has consistently showcased her versatility and ability to connect with audiences through her acting - but most importantly, her understanding of the untold stories that deserve the space on stage.
