Reviews for Gijs in HAGEN

"The German answer to "Lord of the Rings" and "Game of Thrones"; Gijs Naber plays the tragic (anti-)hero so convincingly torn between his loyalty to the royal family and the ambitions of his heart that you'd hope his story would be completed in a sequel for that reason alone." *Filmstarts*

"One cannot escape the tragedy of the main character portrayed robustly and physically by the Dutch actor Gijs Naber from "The Story of My Wife," while also being very sensitive and almost reserved." *Spot Film*
