## Comedian

An American comedian based in the UK, Krystal's sharp cynicism and confidence on stage is "Just perfect" - Broadway Baby.

Over the summer of 2023, Krystal took her sizzling debut show - *The Hottest Girl at Burn Camp* - to the Edinburgh Fringe to rapturous reviews. Broadway World wrote "This is dark humour wielded at its best: dark but not overdone, dramatic but not

hyperbolic, blunt but not abrasive. It leaves a lingering laughter in its wake that takes a while to dissipate, allowing the unhurried pace of the show to continue at Evans' control."
