

Abbie Greaves

Abbie Greaves studied English Literature at Cambridge University before working in a literary agency for a number of years, during which time she wrote her first novel. She is the author of the critically acclaimed *The Silent Treatment* (2020) and *The Ends of the Earth* (2021/2022). Her novels have been translated into over a dozen languages worldwide, selected for the Radio 2 Book Club and shortlisted for the RNA Debut Novel of the Year Award. She currently lives and works in Cambridge, UK.
