

Virginia Bovell

Dr Virginia Bovell is the mother of Danny, 30, who has a diagnosis of autism and severe learning disabilities. A former trustee of the National Autistic Society, she was also one of the founding parents of TreeHouse school and its UK umbrella charity Ambitious about Autism. She has since written and spoken about autism and ethics, for which she received a doctorate in 2015.

Her first book DANNY'S PEOPLE will be published by Oneworld in August 2024.

DANNY'S PEOPLE - August 2024, Oneworld

Society disables us more than autism ever could.
