

David Atthowe

David Atthowe is the owner of Reveal Nature, a company specialising in guided biofluorescent walks, displays, talks and training programs. He has dedicated his life to exploring the unseen, hidden areas of the natural world, and is a world expert on biofluorescence.

David is a pioneer who has spent hundreds of hours searching for biofluorescence around the world, making a number of new discoveries along the way. His work has been featured in the *Guardian*, *BBC*, and *Resurgence Magazine*.
