

Piotr Sikora

Piotr Sikora is an award-winning comedian and actor. His critically-acclaimed show *Furiozo: Man Looking for Trouble* sold out Soho Theatre and was named The Guardian's 10th Best Comedy Show of 2024.

Deemed 'well worth the hype' by The Guardian and 'surprisingly gentle' by The Telegraph, *Furiozo* is a disturbing yet absurdly funny portrait of toxic masculinity. Piotr won the Adelaide Fringe Best Show Award and was nominated for Edinburgh Comedians Comedian Award.

Originally from Poland, Piotr is currently on a world tour of *Furiozo*, performing for audiences in Mumbai, Berlin, Taiwan, Poland, New York and Australia. The sequel to *Furiozo* is in development, with previews at the Edinburgh Fringe Festival in 2025

Piotr recently made his on screen debut in *On Falling*, which won Best Director at the San Sebastian Film Festival and was awarded the Sutherland Award at the London Film Festival.
