

## Michael Eagle-Hodgson

Michael Eagle-Hodgson is a producer best known an Executive Producer on the BAFTA-winning Sky series *GANGS OF LONDON*. His producing work spans premium international drama, including Netflix's *KAOS*, the global hit *WHITE LINES*, and the Sky/Hulu series *DAS BOOT*.

Michael's original Korean-American crime series *THE SYNDICATE* is currently in development with Sony Pictures Television's US domestic team. He is also developing with BAFTA-winning writer Daniel Brocklehurst, alongside a number of other scripted titles.

Known for his hands-on, creatively driven approach, Michael specialises in building ambitious, globally oriented productions. He has worked extensively across Europe, South Africa and the UK, and is comfortable leading projects from inception through to final delivery. Whether embedded from the outset or brought in at a pivotal stage, Michael is valued for his flexibility, strategic instincts and ability to unify creative, production and financing elements for sustainable and scalable series.
