

Viveik Kalra

Actor

Viveik Kalra first broke out as the lead in *BLINDED BY THE LIGHT*, directed by Gurinder Chadha, which premiered to acclaim at the 2019 Sundance Film Festival and went on to secure New Line/Warner as its worldwide distributor. That film, based on the memoir *Greetings from Bury Park*, casts Viveik as Javed, a British Pakistani teenager in 1987 Luton whose life is transformed by Bruce Springsteen's music.

In 2024, he appeared in *LIFT*, a Netflix heist-action film starring Kevin Hart, Gugu Mbatha-Raw, Sam Worthington and others. His other credits include *VOYAGERS* (2021), *THREE MONTHS* (2022), and in television has appeared in BBC's *NEXT OF KIN* and the ITV miniseries *BEECHAM HOUSE*.

Looking ahead, Viveik will next be seen in *MONITOR*, a new film from Temple Hill starring Brittany O'Grady.
