**JOINEDUPWRITING**

2018

Penguin

For more than fifty years, Roger McGough has entranced generations of readers with poetry which is at once playful and poignant, intimate and ambitious in its scope. Joinedupwriting delivers on all the wry observation, warmth and subtle heartache that readers have come to expect from his collections.

From forgotten friendships to the idiosyncrasies of family life, to the trauma of war right through to contemporary global politics - these poems explore the human experience in all its shades of light and dark, but always with McGough's signature wit, irreverence and vivacity. This is the nation's favourite poet at his very finest.
