Since taking away one of the top prizes at Channel 4's New Comedy Writers Award, Henry White has had a broadcast pilot produced by the BBC, and has gone on to develop several original sitcom projects with BBC in-house comedy. He wrote on the BBC Three series Mongrels and is currently co-writing a BBC sitcom pilot, Diary of a Badman.

Running his own animation production company, Lungfish Studio, Henry produced comedy and viral entertainment work for clients include MTV, Channel Four, Endemol, Nickelodeon, Bravo and Random House. See www.henry-white.co.uk

Past achievements include a Commendation from the Royal Television Society and Tyne Tees Best Script Award for his animated series "The Elephant Man". He was also a BBC Talent Animation Award Finalist for his animated sketch show, "Mung".
