

Doc Brown

Actor/Comedian

Ben 'Doc Brown' Smith originally made a name for himself as a rapper, known as much for his off-the-cuff freestyle rhymes on stage as for his self-deprecating style on record. A chance meeting with DJ/Producer Mark Ronson in 2004 struck up a relationship that led to Doc touring with Ronson's band as their MC on a string of festival shows from 2006 - 2007.
