

Simon Richards

Director of Photography

Simon holds an EU (Eire) & UK passport

"We Are Monster"

"...while the **miasmically unwholesome atmosphere is emphasized by Simon Richards' cinematography**: the sickly glow of institutional lighting renders skin tones sallow and even the air itself seems redolent of stale tea bags....."

Hollywood Reporter

"This is a confidently hypnotic film with **strong cinematography by Simon Richards** who delivers excellently framed shot composition and masterful control of light."
